TREASURES NEEDS YOUR HELP!

Arizona Gives Day is April 3rd, 2018

Treasures relies on **YOU** to stay open. Although we try to do the best we can to serve you, teachers are the real reason we exist. Sales don't always pay the rent. We need donations, fundraiser and grants to make ends meet and of course, **YOU!** Please support us during Arizona Give 2018.

Our organization gives critical and enhanced supplies and materials to any teacher in Southern Arizona for free or at reduced costs. This support allows teachers to deliver an enriched learning environment. These supplies are donated by the public because they share our values and environmental concerns. By repurposing materials that would otherwise end up in a landfill we have a win-win outcome. Teachers win, businesses win and the environment wins. Given the current budget and financial cutbacks in education, we are bridging the gap to provide tools that support learning. Kids are our future. We give them the tools that they need to be successful
